<p>Project Description: Nevada Rural Health Works Program</p>	
<p>Time Frame when program was conducted: 2003 to present</p>	<p>State: Nevada</p>
<p>Type of Project:</p>	<p>Rural Community/Network Development</p>
<p>Description of Project: Nevada Rural Health Works is a joint research and policy analysis program of the Nevada Office of Rural Health at the University of Nevada School of Medicine, Nevada Cooperative Extension, and the Center for Economic Development at the University of Nevada, Reno. Over the past decade, Nevada Rural Health Works Program has provided local and state leaders with the information and assistance needed to make the best possible decisions about the role of hospitals and the health care sector in economic development. Research undertaken by the Nevada Rural Health Works Program includes community health care needs assessments, budget studies and feasibility assessments, community health planning, market demand studies, and economic impact analysis.</p>
